BETHANY BEACH – Joe Maggio, Broker/Owner and Mike Moreland, Realtor, of Joe Maggio Realty have acquired Connor Jacobsen Realty, the oldest real estate agency located in Bethany Beach.

Connor Jacobsen Realty has been a leading Delaware Beach vacation rental company for many years. They offer oceanfront and oceanside vacation rentals throughout Bethany Beach, Ocean View, Middlesex Beach, Fenwick Island and surrounding areas.

“I approached Joe Maggio to purchase my business, after working on a nominating Committee for the Women’s Council of Realtors, that selected him as Entrepreneur of the Year. His background and commitment to the local community was a perfect fit for my clients, some whom have been attentively supported by our brokerage for over 40 years”, said Marie Cahill.

“Connor Jacobsen Realty’s personalized approach to serving a loyal client base, heavily concentrated south of Indian River Inlet, made the acquisition a very natural and complementary fit to our boutique business model,” explained Joe Maggio. It is our hope to bring additional tools, like online booking, deposit insurance and credit acceptance to enhance the tenant and landlord experience. “With Mike Moreland joining as an investor, he brings a vast background of knowledge from his former career at Cisco Systems and we are pleased to have his experience,” Joe Maggio added.

Mike Moreland added, “We are excited to welcome these new clients to our family and look forward to introducing them to our technology-savvy and value-added approach. Our new clients will be able to leverage our cutting-edge services for our mutual benefit.”

Joe Maggio Realty, with offices in Bethany Beach and Rehoboth Beach, is Delaware's premier boutique real estate brokerage dedicated to providing a comprehensive approach to sales and beach rentals. They provide value to their clients through personalized service that is professional, courteous and responsive. With over 45 agents, their combined hundreds of years of expertise in sales and rentals in and around the Delaware Beaches, is the number one reason so many of customers seek them out.
